Dear

*Dr. Ajay. Namaskar.*

I, on behalf of Government of Himachal Pradesh and myself extend my gratitude and sincere thanks for inviting me to attend "A conference on Science-based environment policy for the State of Maharashtra on 20th and 21st April, 2016 at the World Trade Centre Mumbai" and to share my views and whatever little knowledge I have on the issue "Policy intervention through technology for Management, Gap identification in existing policies & way forward" alongwith implementation of Sustainable Plastic Waste Management - A PM award winning initiative of Government of Himachal Pradesh being replicated Nationwide. I am grateful to you as well as the Department of Environment, Government of Maharashtra, Maharashtra State Pollution Control Board for the same.

This initiative of yours and "Technogreen environmental solutions India" as knowledge partner shall not only be a stepping stone in formulation of a long lasting, Sustainable Environmental Policy for the State of Maharashtra in view of the future challenges of climate change, urbanization and Waste Management and consumptive use of natural resources including water, forests and minerals.

Please accept my heartiest congratulations for successfully organizing this mega event which was an example of implicit organization and explicit performance. Kindly convey my sincere thanks to Mrs. Malini V. Shankar, Additional Chief Secretary, Department of Environment, Government of Maharashtra and Dr. Anbalagan, IAS, Member Secretary, Maharashtra Pollution Control Board for providing this platform and opportunity to interact with intellectuals providing food for thought. I am also grateful to you all for allowing me to have brief interaction with young, energetic but highly motivated, responsive and able administrator Chief Minister of Maharashtra Shri Devinder Phadnavis, the Environment Minister Shri Ram Das Kadam for implementation of Sustainable Plastic Waste Management Project in Maharashtra to have Good Roads, Good Economic and Good Environments. My services for the betterment of environment on this earth the only liveable planet we have, are available to your organization as well as Government of Maharashtra, looking forward for positive interaction in this regard.

I once again thank the organizers and the WTC team for the hospitality and warmth in the conference.

Thanking you.

Yours Sincerely,

*Rakesh Kapoor*
