To,

Dr Ajay Ojha

Technogreen Environmental Solutions

Wakdevadi, Pune- 411003

Dear Dr Ajay,

We write this to express our appreciation on account of the superb facility put together in record time within cost and of good quality.

When we recall the time you and your Team spent in Mumbai, on the project some things keep coming back. A very tight schedule did not allow much room for comfort. We were impressed with your leadership at site. The trouble shooting skills your team revealed showed us that your experience level is excellent. This and your ability to take quick decisions, the attention to the fine details and the focus on execution helped us to get our (Effluent Treatment Plant) ETP System up and running without hiccups.

Kudos is also due to your team for walking the extra mile to get everything done and mostly with a smiling visage.

We are sure you and Technogreen Environmental Solutions will go a long way from here. We look forward to work with you.

We wish you and TES all the very best in your endeavours

Kind Regards

Hemmo Pharmaceuticals Pvt. Ltd.

H C Ahuja
